Dear Small Business Owner:

To learn more about our SBA Surety Bond Guarantee Program, we have arranged FREE information seminars. For those who are unable to make our session on February 22, 2005, we have arranged an additional seminar on Tuesday, February 28, 2006. Our expert speaker at this session is Michael D. Williams, president of Construction Capital Incorporated, an SBA approved surety bond company. Registration for our information seminar will be at 12:30 p.m.; it will start at 1:00 p.m. and end at 3:00 p.m. The location is the Wisconsin African American Women's Center, 3020 West Vliet Street, Milwaukee, WI.

The U. S. Small Business Administration can guarantee bonds for contracts up to \$2 million, covering Bid, Performance and Payment bonds for small and emerging contractors who cannot obtain bonds through regular commercial channels. SBA's guarantee gives bonding companies an incentive to provide bonding for eligible contractors, and thereby strengthens a contractor's ability to obtain bonding. The staff at SBA is committed to the success of small businesses throughout Wisconsin and the United States.

Seating is limited. Make your reservations today. To register, please complete the attached form and fax it to (202) 481-4497 by February 24, 2006.

Thanking you for your time and consideration.

Sincerely,

Julius J. Hulbert
Deputy District Director
